Collect your rental car in Bintulu and begin your drive towards Niah National Park. The journey takes approximately two hours, depending on traffic and road conditions.

10:00 AM | Arrive at Niah National Park

Register at the Park Headquarters or online before beginning your visit. Cross the Niah River by boat and continue along the raised rainforest boardwalk towards the cave complex.

Subject to trail availability, recommended highlights include:

* Niah Archaeology Museum or Interpretation Centre
* Rainforest plankwalk
* Trader's Cave
* Great Cave, Painted Cave.
* Archaeological and cultural heritage sites

Allow approximately four to five hours for registration, walking, cave exploration, rest stops and the return journey to Park Headquarters.

A licensed park guide is recommended for visitors who would like a better understanding of Niah's archaeological history, rainforest environment and local heritage.

Approximately 3:30 PM | Depart for Miri

After completing your Niah visit, continue driving towards Miri. The journey normally takes approximately 1½ hours.

Evening | Miri at Leisure

Check in to a hotel of your choice and enjoy a relaxing evening in Miri. Guests may explore the city centre, visit Coco Cabana for sunset or enjoy dinner at one of Miri's local seafood restaurants.

Accommodation: Arrange directly according to your preferred location and budget.

DAY 2

Miri – Lambir Hills National Park – Bintulu

7:30 AM | Depart from Miri

Check out from your hotel and drive approximately 30 to 40 minutes to Lambir Hills National Park.

8:15 AM | Register at Park Headquarters

Consult the park ranger regarding current weather, trail conditions and the required return time before beginning your walk.

Recommended Leisure Route

Begin with the Latak Waterfall Trail, an accessible one-kilometre rainforest walk leading to the park's best-known waterfall.

Visitors with sufficient fitness and time may continue towards selected attractions such as:

* Nibong Waterfall
* Pantu Waterfall
* Bukit Pantu
* Short sections of the Pantu Trail

The extended route should only be attempted after consulting the park ranger. Allow time for photography, a packed lunch and a relaxing break at the waterfall.

The full Summit Trail is not recommended for this itinerary because of the long return drive to Bintulu.

1:30–2:00 PM | Depart for Bintulu

Leave Lambir Hills National Park by early afternoon and continue south towards Bintulu. An early departure is recommended so that most of the journey can be completed during daylight.
